Hi Marion,

Can attach the version of the stewardship plan that contained your comments. It was not attached to the message from yesterday.

Thanks, Shanta! I've added a few comments (and responses to comments), but let me know if you have questions. I feel that we're a little further in the weeds than we wanted to be (i.e., with the actual receipt of the stewardship plan), but in retrospect, it does provide us with some sense of how thorough the registrant's commitment is to effect the roll out in Florida.

Best,

Marion J.

Hi Marion Catherine and Dan,

Debra and I have reviewed the most recent Stewardship plan sent by the registrant. We have added comments to the document and would like to know your opinions on the completeness of this document prior to us sending back comments for them to address.

If possible, please send your comments by COB Monday.

Best Regards,

Debra and Shanta
